Dr Nishamani Edirisinghe Fees – Effective 13th July 2026

Due to a reduction in the governments bulk billing incentives for patients in this area, as of 1st November 2023, your doctor will be changing their billing policies.

They will continue to bulk bill existing patients who have pension cards and are aged over 65, alongside existing under 16-year-old patients (except on weekends and after 5pm). Henceforth, all new patients will be billed as private patients.

The full fee is payable at the time of your appointment. After your consultation we will submit your Medicare claim on your behalf. Please ensure Medicare have your correct bank account details to ensure you receive your rebate as soon as possible.

We recognise that a lot of patients have suffered financially over the last two COVID-19 years. Please talk to your doctors, in complete confidence, if you are in that situation.
